

## Capability Statement

**Medical Homecare Supply, Inc.** is a premier provider of homecare supplies and medical equipment based in Palm Beach County, serving South Florida since 1993. The company specializes in the sale, delivery, and professional installation of high-quality mobility and respiratory solutions, including power chairs, scooters, lift chairs, hospital beds, and FAA-approved oxygen concentrators.

Beyond retail sales, the company ensures continuity of care as a local industry leader by providing medical equipment rentals and authorized repair services while facilitating access through Medicare, Medicaid, and workers' compensation. By combining brand-name reliability with expert maintenance and local expertise, the company remains the trusted source for homecare supplies and mobility independence in South Florida.

## Core Competencies

- **Durable Medical Equipment (DME) Supply:** Provision of high-quality home medical equipment supporting patient mobility, respiratory care, and rehabilitation needs.
- **Mobility and Rehabilitation Equipment:** Supply of power wheelchairs, mobility scooters, manual wheelchairs, lift chairs, walkers, canes, and seating systems that support patient mobility and independence.
- **Respiratory and Oxygen Therapy Equipment:** Supply of oxygen systems, portable oxygen concentrators, nebulizers, and FAA-approved portable oxygen units for air travel.
- **Patient Care and Recovery Equipment:** Supply of hospital beds, pressure-relief mattresses, patient lifts, commodes, and related recovery support equipment used in home and extended care settings.
- **Home Health and Daily Living Aids:** Distribution of assistive devices and safety equipment designed to support daily living, accessibility, and in-home patient care.
- **Medical Equipment Rental Programs:** Flexible short-term and long-term rental options for mobility, respiratory, and recovery equipment to meet temporary or transitional patient needs.
- **Equipment Maintenance and Repair Services:** Inspection, maintenance, and repair services for mobility and respiratory equipment to ensure reliability, safety, and continued operational use.
- **Insurance and Medical Coverage Coordination:** Experience processing equipment coverage through Medicare, Medicaid, and workers' compensation programs to facilitate timely equipment access.
